

PACKAGING SUPPLIES REQUIRED

Below are all you need to protect and pack your goods

Storage Boxes

Get Boxes that are strong enough to stack on top of each other to minimise the storage space you need.

Archive box - Suitable for paper work, files and books.

Small & medium box - For every day incidentals.

Large box - For bulkier items.

Protective packaging

Make sure you don't damage your belongings wrap them in protective packaging.

Bubble wrap - Ideal for larger delicates such as electrical appliances.

Corrugated card - To protect legs and corners on furniture items.

Acid free tissue - Use to protect glassware & crockery.

Void fill - Fills the gaps in your boxes to keep your goods in place.

Chair, Sofa & Mattress protectors - Keep your furniture clean & protected.

Moisture absorbers - A must to keep the damp off your goods.

Shrink wrap - Use to secure loose items together.

Dustsheets - Put under and over your goods, keep them clean and protected.

These items are not essential, but do make the job easier!

Sack truck - Use one of these to move awkward or bulky goods.

Appliance rollers - Put under the heavy appliances and wheel away!

Gripper gloves - Protect your hands and have the extra grip when you need it

Fragile tape - Remind your helpers that this box is 'DELICATE'.

Marker pen - Write the contents on your boxes.

These are other supplies we sell that you just might need.
